About Snappy Sushi

Under the direction of Kazu Aotani, Snappy Sushi opened its doors on Newbury St. in 2008. Offering exclusively natural Koshihikari brown rice in a contemporary creation of new style sushi as well as authentic torigara (chicken bone) ramen. The menu is complimented by twists to many Japanese favorites and fortified by the teams commitment to health concious, fresh & local when possible ingredients.

Following the success of Snappy Sushi, Kazu and the team opened Snappy Ramen in 2013. Snappy Ramen features a smaller tonkotsu (pork bone) ramen focused menu in its intimate Somerville location. Whether at quaint communal table in our Davis Square restaurant in Somerville, or at our bustling Newbury Street restaurant in the heart of the Back Bay, enjoy our modern reinventions of Japanese favorites while sipping a glass of chilled sake, wine, or beer.
